

## Important to Remember for Animoto!

### ★ First you must add a **PROMO CODE**

- Follow along with Mrs. DiFilippo and the class and do this together to GET IT RIGHT!

- (If working in a group only 1 student signs up for an account - choose name of project as password.)

### ★ Pick an appropriate background (this is important to the final design of project)

- Now add your text and pictures ( see rubric)
- NOTE: Pictures MUST be **.JPG**

### ★ Choose appropriate music from Animoto,iTunes (if you have an account) or try downloading music from Youtube at home.

- the music that you choose is important to the speed and effect your final Animoto will have.

### ★ If working in groups - while 1 member uploads on to Animoto, other members should create Google Docs with Text and JPG pictures to share and upload.

### ★ NOW when you have completed all of the requirements on your **Rubric**, you are now ready to **Finalize** your project.

- When you receive your finalized link to your project follow these instructions:(this link is located on right of video **LINK** →OPEN→(copy to clipboard to paste in e-mail)- **LINK TO SHARE**

→ Email:ssager@ucfsd.net

→ Subject: **Your name and Period number**

→ **DO NOT FORGET** to include your link to your Animoto.

→ **COPY and PASTE** your link into the body of the e-mail.

**Have fun with this project!**

↪Important note to teachers - when students send Animoto check your spam!
