The Problem of Light in the Political Novels of Joseph Conrad

It has been said that the political novels of Joseph Conrad are enjoyed primarily by those who have never read a good Russian novel. It can also be said, however, that ...

•Note double-spacing throughout. Must use Times New Roman Font Size 12. Title is Centered, NEVER Bold or Underlined unless using a name of a book or other written literature. Note: Most titles of papers should be your title of the paper you have written unless told otherwise.

•Title pages are ONLY written at the discretion and directions of your individual teacher. Otherwise, this is your first page of your research paper.

•Notice Date - this is due date: day, month, year

•Refer to page of directions for the correct way to insert page #'s accompanied by your last name.

Start your paper correctly!
